D&S Communications, Inc.

SmartCare

SMART DEVICES
EXPERTLY MAINTAINED

ENTERPRISE REPAIR, SUPPORT AND MAINTENANCE FOR SMART TECHNOLOGY AND MOBILE DEVICES.

Keep your team connected, productive and operating without disruption with comprehensive support for smartphones, tablets, laptops, rugged devices and more.

YOUR DEVICES KEEP YOUR BUSINESS MOVING. WE KEEP YOUR DEVICES MOVING.

D&S SmartCare provides enterprise organizations with a smarter way to manage their device fleets, from fast repairs and diagnostics to equipment buyback, managed transitions and customized maintenance programs.

→ Everything Your Device Fleet Needs

Rapid Repair & Replacement
Most repairs completed within 24–72 hours, with expedited and advance replacement options available.

Enterprise-Grade Repairs
Diagnostics, operating system support, connectivity issues, screen and glass repair, batteries, charging problems and more.

Equipment Buyback & Managed Transition
Upgrade your fleet while D&S helps manage the transition and purchases eligible existing equipment.

Custom Enterprise Pricing
Pricing tailored to your actual device inventory, not a one-size-fits-all program.

→ Manage It All in One Place

SmartCare clients receive free access to the D&S DirectConnect Partner Portal, providing centralized visibility into:

RMA TRACKING • QUOTES & PURCHASES • REPAIR HISTORY • FLEET MANAGEMENT • STORAGE • REPORTING

Built for Organizations Where Uptime Matters

HEALTHCARE | EDUCATION | CORPORATE ENTERPRISE | RETAIL | LOGISTICS

40 Years of Enterprise Repair Experience

D&S Communications has supported enterprise technology since 1986, with certified technicians, a 54,000 sq. ft. repair and technology facility, and service coverage throughout the U.S. and Canada.

→ Ready to Protect Your Device Fleet?

Schedule a FREE SmartCare Assessment

Let D&S evaluate your current device fleet, identify potential risks and recommend the right level of support for your organization.
